2. The Board supports the Collector's proposal to assign the plot to the Mission Trust under paragraph 23 of B.S.O. No.15. The site in question contains a tenant's house built about 3 years ago, one jack and goli tree. The occupation may be held to be effective within the meaning of paragraph 4(2) of G.O.No.661 Revenue dated the 27th March 1929. In view of this order, the Board recommends that back assessment for three years as proposed by the Collector need not be levied.

The house is stated to have been constructed at the expense of the Mission Trust and the tenant Sheke Beari has also executed a lease deed in favour of the Trust.
